CONCESSION AGREEMENT

THIS CONCESSION AGREEMENT ("Agreement") made and entered into this 7th day of December, 2000 by and between the CITY OF ABERDEEN, MARYLAND existing under and by virtue of the laws of the State of Maryland, hereinafter referred to as the "City", and TUFTON PROFESSIONAL BASEBALL LLC, a limited liability company, duly existing under and by virtue of the laws of the State of Maryland, hereinafter referred to as the "Franchisor".

WHEREAS: the City and the Franchisor desire to provide for the design, construction, operation, and maintenance of a professional minor league baseball stadium and all improvements and appurtenances in the City of Aberdeen to be known as "RIPKEN STADIUM" (hereinafter referred to as "Stadium"), and, subject to the conditions set forth herein, which also will be available for use by the community to the greatest extent practical, and

WHEREAS: the Franchisor intends to be the owner and holder of a professional minor league baseball team (the "Team"); and

WHEREAS: the City owns the land upon which the Stadium will be built, and therefore will have title to the Stadium; and

WHEREAS: the Franchisor desires to undertake certain maintenance and use the Stadium such that the Team shall play all home regular season, exhibition, and post season games in the Stadium; and

WHEREAS: the City in its capacity as the provider of public park land and recreation facilities for the citizens of Aberdeen has deemed it in the best interest of the public and citizenry to promote community recreational activities, economic development and professional baseball and to enter into this Agreement with the Franchisor; and

WHEREAS: the parties hereto desire to enter into this Agreement and warrant unto the other that they have the authority to do so and covenant and agree as follows:

I. SITE AND STADIUM CONSTRUCTION

Section 1.01. SITE. The City does hereby grants unto the Franchisor a concession, subject to the further terms hereof with respect to the City's maintenance obligations, to maintain and use the Stadium (together with appurtenances thereto, including, parking lots, private roads, private driveways and other components of the Site, as hereinafter defined) to be located in the City of Aberdeen, Maryland, on the property more fully described on Exhibit "A," hereto (the Stadium and other improvements located or to be located thereon are collectively referred to as the "Site"), during the times and for the purposes hereinafter set forth, and subject to the conditions and restrictions set forth herein.

Section 1.02. DESIGN AND CONSTRUCTION. The design of the Stadium was performed by Design Exchange Architects, Inc. (the "Architect"), Polly Drummond Park, Bldg. #3, Suite 3205,

Newark, Delaware 19711 which design was approved by the City and the Franchisor. Bids for construction of the Stadium were received on April 25, 2000. The low bidder was Baltimore Contractors, LLC ("BC"), 711 S. Central Avenue, Baltimore, Maryland 21202. BC will be responsible for all construction to meet all requirements for professional minor league baseball play and in accordance with all applicable laws, rules and regulations, except that the Franchisor shall be responsible for that portion referred to as the TPB Improvements, as defined in that certain Funding Agreement, by and among, inter alia, the City and Franchisor of even date herewith. The City shall cause to be prepared detailed design drawings, construction drawings and specifications for the Stadium (hereinafter referred to as the "Plans and Specifications") by the Architect who is experienced in similar minor league stadia. The Architect selected, and the Plans and Specifications, shall be subject to approval by the Franchisor. The Franchisor's scope of approval with respect to the Plans and Specifications shall be limited to the design parameters used to prepare the existing bid documents. The responsibilities of the City and the Franchisor regarding design, construction and funding and other related matters are subject to the approval of the Franchisor, which approval shall not be unreasonably withheld or delayed. Subsequent to such approval, neither the Architect nor the Plans and Specifications shall be materially altered or modified without the consent of Franchisor.

It shall be the responsibility of the City to assure the construction of the Stadium in accordance with the approved Plans and Specifications and in accordance with all applicable codes, laws, rules and regulations. The Stadium shall be completed within the time periods for various phases of the construction as set forth in all grading, building and other permits. The City and Franchisor agree to cooperate to the greatest extent practicable to permit use and occupancy of the Stadium by Franchisor, including, but not limited to, playing of games by the Team prior to full completion of the Stadium.

Funding for construction of the Stadium and other related matters are set forth in a certain Funding Agreement dated December 7, 2000, among the City, Franchisor, Harford County and the Maryland Stadium Authority (the "FA"). A copy of said FA is attached hereto as Exhibit "B" and is incorporated herein by this reference.

II. ADMINISTRATIVE CONTROL AND OVERVIEW

Section 2.01. ADMINISTRATIVE CONTROL. The City shall exercise overall administrative overview and control of the Site, consistent with the rights and privileges granted to all parties herein. Subject to the rights of the Franchisor as set forth herein, the City shall have year-round access to the Site.

III. TERM

Section 3.01. INITIAL TERM. The Initial Term of this Agreement shall be from the date of the issuance of the use and occupancy permit ("Commencement Date"), and shall terminate on the twentieth (20th) anniversary of the end of the calendar year in which the Commencement Date occurred ("Termination Date"). The Commencement Date and the Termination Date shall be set forth in a separate amendment once such dates are determined.

Section 3.02. RENEWAL OPTIONS. Provided that the Franchisor shall not be in default of any provision hereof at the expiration of the then current term, the City grants to the Franchisor an option to renew this Concession Agreement for an additional twenty (20) year term subject to the same terms and conditions of this Concession Agreement except for the right of the City to impose an additional yearly fee to fund such repairs and improvements to the Stadium together with appurtenances thereto as it and the Franchisor shall have deemed necessary during the Initial Term by notifying the City of its intent to exercise said option, in writing at least one hundred twenty (120) days prior to the expiration of the then current Term. Such additional fee shall not exceed the yearly amount required to finance such repairs and improvements over a twenty year term (at an interest rate based on the lowest interest rate available to the City at the date of the election of the option to renew) less the average net receipts by the City over the last five (5) years of the Initial Term from (i) Admission and Amusement taxes; (ii) temporary advertising revenue from City Events; (iii) revenue from exterior signage; and, (iv) revenues from concessions, concession stands and facilities payable to the City. If at all possible, so long as it does not conflict with the sound management and operation of a professional minor league baseball stadium, nor conflict with Franchisor Events, the City shall be entitled to hold two City Events during each of the months of April through September on a Friday or Saturday.

IV. USE

Section 4.01. CITY USE. The City shall have use of the Site, for any purpose approved by the Franchisor consistent with the sound management and operation of a professional minor league baseball stadium and as permitted by the terms of this Agreement. Each such use is referred to herein as a "City Event." Such use shall be exercised for days not specifically granted to the Franchisor for Franchisor Events as approved by the City in accordance with this Agreement. City use shall not conflict with any Franchisor Event (as defined below) scheduled for the Site, or prevent the next scheduled Franchisor Event at the Site. City use shall not disrupt or damage the Site beyond routine maintenance requirements, however, if damaged by City use or by persons or parties whose use is authorized by the City, the City shall promptly restore the Site to its original condition at City expense. The City will be responsible for scheduling all days of use for all parties other than Franchisor Events. After the City has recouped its initial investment in the Stadium in accordance with the provisions of Section 4.05 hereof, no more than fifteen (15) days shall be allocated for City Events. If at all possible, so long as it does not conflict with the sound management and operation of a professional minor league baseball stadium, nor conflict with Franchisor Events, the City shall be entitled to hold two City Events during each of the months of April through September on a Friday or Saturday. Such fifteen (15) days shall not include City Events for a Community Activity as defined in Section 4.05 hereof. Both Franchisor and the City acknowledge that Community Activities are important to the well-being of the City and its residents. Franchisor shall make reasonable efforts to permit Community Activities so long as they are consistent with the sound management and, do not conflict with, operation of a professional minor league baseball stadium.

Section 4.02. FRANCHISOR USE. The City and the Franchisor agree that it is their mutual desire to provide for the maximum use of the Site by the community, consistent with the sound management and operation of a professional minor league baseball stadium. The City grants to the

Franchisor the exclusive use of the Site for the purpose of playing and exhibiting professional baseball, including all regularly scheduled games (pursuant to the Team Schedule referred to in Section 4.03 hereof), practices, exhibition games, post-season games under the control of the Franchisor and activities specifically related thereto and such other events as may be held by Franchisor during the days referred to in Section 4.03 hereof ("Franchisor Events"). No other users, or preparation for such users, shall unreasonably interfere with the Franchisor's use of the Site. It is agreed that all regularly scheduled home games, all exhibition games, and all home play-off games of the Team that are under the control of Franchisor shall be played at the Site. The Franchisor shall also be allowed to use the Site at all times during the term of this Agreement, for purposes of providing clubhouses for the Franchisor and other teams using the Site, offices for administration and management, ticket booths, parking area, concession stands, batting cages with protective screening, scoreboards and such other related improvements and amenities. It is agreed that the offices for administration and management shall be used and occupied by the Franchisor on a year-round, exclusive basis. Franchisor shall have year-round access to the Site, subject to the rights of and in common with the City and other permitted users of the facility. The Franchisor shall have no other right to use the Site, except for those specific events scheduled for Franchisor's use. The term "Baseball Season" is defined as the period beginning March 15 and continuing through the later of September 30th of each calendar year or the last date of any playoff game in said year, if the Team is a participant in such playoffs.

Section 4.03. TEAM SCHEDULE. Prior to the initial operation of the Stadium and, thereafter, on or before March 1st of each year, the Franchisor shall provide to the City a final schedule of all dates and times of officially scheduled professional baseball games of the Team to be played at the Site for the ensuing twelve (12) month period. Franchisor will use reasonable efforts to provide the City with a tentative schedule of anticipated scheduled games, as aforesaid, on or before December 31 of each year. Prior to the City recouping its investment in the Stadium in accordance with the provisions of Section 4.05 hereof, Franchisor may, in addition to the foregoing Team Schedule, reserve from time to time up to fifteen (15) days for events to be conducted by the Franchisor each year of the Term of this Agreement as additional Franchisor Events. The City agrees to use reasonable efforts to accommodate such Franchisor requests, it being recognized and agreed, however, that City Events shall have priority in scheduling over all but Franchisor's Team Schedule. The City Authority (as hereinafter defined) shall have no obligation to approve any such Franchisor requests that would, in the Authority's reasonable discretion, interfere with the scheduling of a City Event. After the City has recouped its investment in the Stadium in accordance with the provisions of Section 4.05 hereof, the Franchisor shall have year-round use of the Site subject to the use thereof for City Events and Community Activities. After the City has recouped its investment in the Stadium in accordance with Section 4.05 hereof, for each use of the Site (including the Stadium) which is (x) not a use for professional minor league baseball nor (y) one of the fifteen (15) days which Franchisor could use the Site prior to such recoupment of the City's investment, the Franchisor shall pay, in addition to any applicable admission and amusement taxes, a user fee to the City equal to twenty cents (\$.20) per each paid attendee at such Franchisor Event.

Section 4.04. RAIN DATES. It is agreed that any replay of any rained-out or postponed games of the Franchisor will not be scheduled during any regularly scheduled City Events. The Franchisor and the City shall consult with each other in an effort to re-schedule rained out or

postponed games, but it is recognized that games of the Team will be given priority to the greatest extent reasonably possible over unscheduled City Events.

Section 4.05. FEE SCHEDULES. The City may establish a schedule of rental fees and retain such fees for users of the Site other than the Franchisor for Franchisor Events until the time when the City has recouped its initial investment in the Stadium. After the City has recouped its initial investment in the Stadium, the City's use shall diminish pursuant to Section 4.01 to no more than fifteen (15) days which use the City shall continue to schedule and the City shall continue to retain any associated fees. Except with regard to these fifteen (15) days for City Events, after the City has recouped its initial investment in the Stadium, all decisions regarding rental fees and parking charges shall be made by Franchisor and all such revenue shall be retained by Franchisor. Prior to the City recouping its initial investment in the Stadium, the amount of any such fees shall be at the sole and absolute discretion of the City, and shall specifically permit the City to allow use of the Site by amateur teams and non-profit entities for no fee or for a nominal fee. The City may also establish a schedule of entry fees to be charged to patrons attending City Events, and have final determination of fees charged by any users other than the Franchisor. For City Events of a community, charitable and/or civic nature that are non-profit, or which produce only a nominal profit for the City and the community, charity or civic organization holding, sponsoring or benefiting by the event (hereinafter a "Community Activity" or "Community Activities"), Franchisor shall be responsible for operation and maintenance of the Site with no cost to the City, except as provided in Section 5.10. For all City Events that are not a Community Activity, either the City will provide all necessary operation and maintenance services therefore, and pay the costs and expenses thereof, or, if the City so requests, the Franchisor will provide such operation and maintenance services. In the latter case, the City will promptly reimburse the Franchisor for the actual costs and expenses to the Franchisor for operation and maintenance associated with such event, plus a reasonable management fee, not to exceed fifteen per cent (15%) of such actual costs and expenses, to the Franchisor to be agreed upon between the City and Franchisor on a case by case basis before the event is held. For purposes of this Agreement, the City shall be deemed to have recouped its initial investment in the Stadium at such time as the aggregate amount received by the City from and after the Commencement Date from Sources (as hereinafter defined) is equal to the debt service on \$3,000,000 payable over 20 years at the weighted average interest rate incurred by the City with respect to the financing of the Stadium. Sources shall include the following: (i) sales proceeds in excess of \$85,000 per acre from the sale of the approximate 54± acres which are adjacent to either the Site or the land for the Ripken Academy (which is adjacent to the Site up to \$1,000,000.00), (ii) admission and amusement taxes from use of the Stadium or Site; (iii) parking revenue from parking on the Site; (iv) exterior signage revenue, (v) profit from City Events, (vi) concession revenue, and (vii) any other funds received by the City which the City would not receive unless the Stadium were located in the Site.

V. DUTIES AND OBLIGATIONS OF THE FRANCHISOR AND CITY

Section 5.01. MAINTENANCE. The Franchisor shall be responsible for the year-round, routine, Non-Capital Maintenance including all repair obligations for operations of the Site as further described herein. Non-Capital Maintenance means all work (including all labor, supplies, materials, equipment and cost of electricity, gas, water and sewer services) reasonably necessary for the

cleaning and routine upkeep of any property, structures, surfaces, facilities, fixtures, equipment or furnishings, or any other component of the Site, in order to preserve such items in their existing condition, ordinary wear and tear excepted. By way of illustration, and without limiting the generality of the foregoing, Non-Capital Maintenance shall include: (i) preventative or periodic maintenance procedures for equipment, fixtures or systems; (ii) periodic testing of building systems, such as mechanical, card-key security, fire alarm and sound systems; (iii) ongoing trash removal; (iv) regular maintenance procedures for HVAC, plumbing, mechanical, electrical, structural systems and field irrigation and drainage system, such as periodic cleaning, lubrication, and changing of air filters; (v) touch-up painting; (vi) cleaning prior to, during and following all Franchisor Events, City Events and City authorized user events; and (vii) any other work of a routine, regular and generally predictable nature that is reasonably necessary in order to keep the Site, in good order and condition. The Franchisor shall provide all the above referenced services in this Section year round, for the uses of the Site approved by the Franchisor, whether such uses are by the Franchisor, the City or others. Such services shall be provided for all users at no cost other than as provided for herein (see, for example, Section 4.05 hereof). Notwithstanding the foregoing, the City shall pay for the cost of operating the field lights, if used, for other than Franchisor Events.

Section 5.02. CAPITAL IMPROVEMENTS AND MAJOR MAINTENANCE. The City shall be responsible for the capital maintenance of the Stadium and Site, including, but not limited to, the repair or replacement of all structures, systems (including mechanical, electrical and those related to utilities such as, but not limited to, HVAC, water, sewer and electrical) and capital improvements when needed or required to keep the Site, including the Stadium, in compliance with applicable laws, rules or regulations. Such capital improvements and major maintenance replacement shall be performed by the City at its expense. The City shall inspect the facility on an annual basis to determine the timing and extent of such work required. The City shall coordinate its capital improvements with the Franchisor. Should the Franchisor be required to perform emergency actions that would ordinarily be the responsibility of the City, the Franchisor shall take the required emergency action, notify the City within twenty-four (24) hours followed by a written description of the problem within five (5) business days, and invoice the City for costs reasonably incurred by the Franchisor, which costs shall be paid by the City within thirty (30) days of receipt of such written notice.

Section 5.03. MAINTENANCE PLAN. The Franchisor shall prepare and submit a maintenance program to the City, for its approval, which shall not be unreasonably withheld, on an annual basis which will outline the scheduled maintenance and repairs to be performed by the Franchisor for each year during the Term.

Section 5.04. PERSONNEL. All personnel engaged or employed by the Franchisor in the performance of its duties and obligation hereunder, including, but not limited to, all security guards and maintenance personnel, shall be considered as employees or contractors of the Franchisor and shall in no event be construed as being representatives, agents, contractors or employees of the City.

Section 5.05. QUALITY OF SERVICES. The operating and maintenance services to be performed by the Franchisor under Section 5.01 hereof, shall be consistent with the quality of such services provided in other comparable first class facilities of this type. Should the quality of services

rendered by the Franchisor at any time during the Term fall below the quality set forth above, and be unacceptable to the City in its reasonable discretion, then the City shall provide written notice thereof to the Franchisor and the Franchisor shall have thirty (30) days from the receipt of such notice to improve the quality of such services, or remedy such other default, or to begin diligently to effect a cure during such period if such default cannot be cured within such thirty (30) day period. In the case of an emergency, the City shall have the right to take any and all immediate corrective action without notice to Franchisor. In the event the Franchisor is in default of this provision with regard to the quality of services and the Franchisor fails to remedy such default within thirty (30) days of its receipt of written notice from the City, or to begin diligently to effect a cure during such period if such default cannot be cured within such thirty (30) day period, in addition to all other rights hereunder and at law, the City reserves the right, subsequent to the passage of said thirty (30) day period (subject to the language in the preceding sentence regarding an emergency), to undertake corrective action and invoice the Franchisor for the costs reasonably incurred by the City in taking such corrective action, which costs shall be paid by the Franchisor within thirty (30) days of receipt of such invoice.

Section 5.06. EXTENT OF SERVICE. The operating and maintenance services to be provided by the Franchisor hereunder shall apply to the entire Site, including but not limited to the playing field, seating area, buildings (including all mechanical, heating and air conditioning and lighting equipment therein and all fences surrounding the Stadium and on the Site and the exterior walls of the Stadium building), all parking areas and all other enclosed or fenced areas of the Site, but shall not include the maintenance of any public roads or rights of way on the Site

Section 5.07. EQUIPMENT. To the extent that equipment purchased as part of the initial Stadium construction shall not be sufficient, the Franchisor shall use its own equipment to perform the operating and maintenance services described herein. Any equipment stored on the Site shall be stored inconspicuously in such place and manner as reasonably designated by the City and at the risk of the Franchisor.

Section 5.08. CONTINUOUS OPERATION. The Franchisor covenants to continuously operate and maintain the Site during the dates and times provided in the Team Schedule (as defined in Section 4.03 hereof) and at such other times as the Site is scheduled for use by other users as may be permitted by the terms of this Agreement. Franchisor further covenants to maintain the Team in a professional minor league, during the Term of this Agreement. Failure of the Franchisor to file a Team Schedule as required under the provisions of Section 4.03 hereof shall constitute an Event of Default hereunder if not cured within ten (10) days after written notice of default by the City to the Franchisor.

Section 5.09. TICKETS. The Franchisor shall, in each year of the Term, provide the City with up to one hundred (100) tickets, including handicapped accessible seating, without cost, for every exhibition, home and play-off game scheduled at the Stadium upon notification to the Franchisor seventy-two hours in advance of each game, or, if the team is scheduled to play a visiting team on consecutive dates ("Series"), up to one hundred (100) tickets for all games in the Series. In the event that the City needs tickets in advance of seventy-two hours (72) notice or requests block seats greater than twenty-five (25) seats, the Franchisor shall use its best efforts to accommodate

such request, provided it receives at least three (3) weeks advance notice. In all other cases, Franchisor shall use its best efforts to provide tickets in blocks of at least twenty-five (25) seats. The City shall return any tickets they do not plan to use within twenty-four (24) hours before any game or event. All tickets provided to the City pursuant to this Section 5.09 shall be distributed by the City, free of charge, to youth groups, handicapped groups, senior citizen groups, charitable organizations, civic organization, or other similar groups or organizations, so as to promote attendance by persons who might otherwise be unable to attend baseball games at the Stadium. In no event shall tickets so provided to the City be sold or subjected to a charge or fee by the City, or distributed other than as set forth in this Section 5.09. In addition to the tickets described above, the Franchisor shall, in each year of the Term, provide the City with ten (10) passes allowing admission to all Franchisor Events at no charge. There shall be no restrictions on the City's use of such passes.

Section 5.10. SECURITY. The Franchisor shall provide security services for events held by the Franchisor at the Site. The City shall provide security services for Events other than Franchisor Events.

VI. CONCESSIONS

Section 6.01. FOOD, BEVERAGE, MERCHANDISE AND SOUVENIRS. The City hereby grants to the Franchisor the exclusive privilege to operate all food and beverage concessions and to sell all merchandise and souvenirs at the Stadium during Franchisor Events. The Franchisor shall receive the revenue from such concessions and such sales of merchandise and souvenirs. Upon fifteen (15) days advance notice, including an estimation of the anticipated attendance, the Franchisor shall provide all food and beverage stands and facilities for City Events. In the event that the Franchisor is the concessionaire for any City Event, twenty-five percent (25%) of all gross revenue generated from Franchisor's operation of concessions, concession stands and facilities during City Events shall be remitted to the City. The Franchisor shall provide the City with its share of the concessions generated by City Events within thirty (30) days of the event, along with a statement of gross receipts for the fees collected. The City has the right to review and audit all books of the Franchisor relating to concessions for City Events. Such records shall be made available for audit within five working days of a request for inspection of records. The Franchisor shall keep such books and records in accordance with generally acceptable accounting principles. If there is a dispute as to compensation due the City, the City shall retain the services of an independent auditing firm at the City's expense, whose findings shall govern. The auditing firm so selected shall be subject to the prior approval of the Franchisor, which approval shall not be unreasonably withheld. The City shall have the right to require reasonable additional internal or accounting controls based on audit findings. The City or other approved users retain the right of merchandise sales and all revenue generated therefrom at all events other than Franchisor's Events, except for revenue received from sales of merchandise containing the name or logo of the Team, which revenue shall be retained by the Franchisor. In the event that the City shall not request the Franchisor to provide concession services for any City Events, then the City or others employed by the City may provide such concession services, but neither the City nor others employed by the City shall be entitled to use the concession stands or facilities normally used by Franchisor for Franchisor Events.

Section 6.02. ALCOHOLIC BEVERAGES. The Franchisor herein agrees that no alcoholic beverages will be sold, used or distributed on the premises herein leased unless and until the proper permits and licenses have been obtained. The City agrees to obtain or to assist the Franchisor in obtaining, as may be required by applicable law and regulation, such permits and licenses, provided, however that the City shall not be required to expend any monies for such permits and licenses and will be reimbursed by Franchisor therefore.

Section 6.03. SKYBOXES AND CLUB BOXES. The Franchisor shall have the sole and exclusive right to operate and to grant use and occupancy rights to third parties in and to all Skyboxes and Club Boxes (collectively, the "Boxes") that are built as a part of the Stadium, on such terms and for such fees or "rentals" as Franchisor may determine. The Franchisor shall be entitled to receive and retain all fees, rentals or other income derived from such Boxes. The City agrees not to impose any Admission and Amusements Taxes on the revenue charged for the Boxes. The City, upon request, shall agree to recognize the rights of third parties to whom the Franchisor shall have granted use and occupancy rights to the Boxes, and shall agree not to disturb the exercise of such use and occupancy rights so long as the user is not in default under the terms of the agreement between the Franchisor and user granting such rights. Such rights shall include, but not be limited to, the use of Boxes for all events at the Stadium at no additional cost to the user.

Franchisor agrees to provide City with copies of all such third party agreements each Baseball Season during the Term.

VII. PARKING

Section 7.01. PARKING. Subject to the provisions of Section 4.05, the City reserves to itself the exclusive right to operate all parking at the Site after the second year of the Initial Term until the City recoups its investment in the Stadium so that the Sources are sufficient to cover the City's debt service on \$3,000,000.00. The parking fee charges will not exceed the amount resulting from dividing the yearly debt service (in excess of anticipated sources other than parking fees) by the product resulting from multiplying the average cars parked for a stadium Franchisor Event during the previous year by the number of scheduled games to be played at the Stadium, multiplying this sum by 1.15 and increasing the product to the next whole dollar. For example, if the annual debt service exceeds receipts by \$80,000.00, the average number of cars parked at a Franchisor Event was 1,500 and 80 games are scheduled, the parking fee would be \$1.00 per car; provided, however, that the parking fee shall never exceed \$2.00 unless approved by Franchisor. The City agrees that there shall be no fee charged for parking for the Franchisor's Events except upon the Franchisor's written request of the same to the City, which approval shall not be unreasonably withheld or delayed. The City reserves the right to determine whether or not a parking fee should be charged for City Events and shall determine the amount to be charged, and shall receive the revenue generated from any parking fees.

VIII. ADVERTISING

Section 8.01. GENERAL. Franchisor shall have and is hereby given sole and exclusive billboard advertising privileges on the interior and exterior of the Stadium which advertising shall

The City shall not permit the relocation of the Team from Aberdeen, Maryland except when the Site is unusable pursuant to Section 10.01. The Franchisor shall not permit any sale, assignment or transfer of the Team unless (i) the assignee is required to assume all of the obligations of the Franchisor under this Agreement and (ii) the Franchisor remains secondarily liable under this Agreement.

(a) The Franchisor agrees that it shall indemnify the City and hold harmless the City against any and all fines, suits, claims, demands, expenses, action losses, alleged losses, or liabilities of whatsoever nature made against or incurred by the City either directly or indirectly, either in law or equity, paid, suffered or incurred as a result of the acts, activities, omissions or negligence of the Franchisor, its agents, servants, contractors, employees, and concessionaires due to the operation and use of the Site by the Franchisor, its agents, servants, contractors, employees, and concessionaires. This includes, but is not limited to: liabilities related to or arising from the Franchisor's use, transportation, discharge or release of hazardous substances onto the Site, and liabilities resulting from the sale or distribution of any product by the Franchisor, its employees, agents, contractors or concessionaires, and any other claims arising from the obligations and activities of the Franchisor, its employees, agents, contractors or concessionaires under or pursuant to this Agreement;

(b) The City agrees that it shall indemnify the Franchisor and hold harmless the Franchisor against any and all fines, suits, claims, demands, expenses, action losses, alleged losses, or liabilities of whatsoever nature made against or incurred by the Franchisor either directly or indirectly, either in law or equity, paid, suffered or incurred as a result of the acts, activities, omissions or negligence of the City, its agents, servants, contractors, employees, and concessionaires due to the operation and use of the Site by the City, its agents, servants, contractors, employees, and concessionaires. The City and the Franchisor shall be named on the insurance certificates as insured parties. The Commercial General Liability Policy of Insurance shall include the following coverage including deductibles: (i) commercial general liability, THREE MILLION DOLLARS (\$3,000,000) per occurrence, including fire, products/completed operations, broad form contractual liability, broad form property damage liability and XCU, Earthquake and Catastrophe coverage; (ii) FIVE THOUSAND DOLLARS (\$5,000) for medical payments per each occurrence; (iii) Follow Along Excess Policy, TEN MILLION DOLLARS (\$10,000,000) total aggregate; (iv) Workers' Compensation (statutory) plus employers liability, with no less than TWO HUNDRED AND FIFTY THOUSAND DOLLARS (\$250,000) per injury or illness and FIVE HUNDRED THOUSAND DOLLARS (\$500,000) per occurrence. In the event that at any time the City shall determine that such coverage, including deductibles, is inadequate, then City may require additional coverage within its reasonable discretion. This clause is in no way intended to limit the liability of the Franchisor or the City under this clause and its hold harmless provisions running towards the City or the Franchisor, but is only to be considered as a guideline for minimum amounts of insurance that shall be carried in the amounts required herein.

The City shall have the option of self-insurance, however, the City shall not exercise said option without the Franchisor's prior consent, which consent shall not be unreasonably withheld.

Prior to the issuance of the use and occupancy permit, the certificate of insurance verifying the existence of the insurance coverage required in the above paragraphs shall be made available to all parties. Such insurance shall carry an A rating from Best's Key Rating Guide or BBB from Standard and Poor's Insurance Solvency Review, as confirmed by a Dunn & Bradstreet analysis or the self-assurance program of the City.

All insurance coverage shall be written and required to protect the City and the Franchisor with regard to this Agreement and/or ownership of the Site, and the operation and maintenance of the Stadium and improvements.

AGREEMENT

This Agreement (the "Agreement") is made as of this 7th day of December, 2000, by and among the Maryland Stadium Authority, a unit of the Executive Branch of the State of Maryland ("MSA"), Harford County, Maryland (the "County"), the City of Aberdeen, Maryland (the "City"), and Tufton Professional Baseball LLC ("TPB") (being together known as the "Parties" and individually as a "Party").

Explanatory Statement

The Parties desire to construct and operate a minor league baseball facility (the "Project") on certain property located in Aberdeen, Maryland, on the terms and conditions set forth below.

1. **Relationship of the Parties.**

- (a) **The City.** The City has acquired, and will be and remain the owner of, a parcel of property located in the City of Aberdeen, Maryland, consisting of approximately 30 acres, which is further described in Exhibit A to this Agreement (the "Property"), upon which the Project will be constructed. The City will hold the contract with the Contractor (which is contemplated to be Baltimore Contractors, LLC) as defined in the General Conditions of the bid documents (sometimes referred to as "G.C.") and engage MSA as its agent to manage the construction of the Project and the City shall participate in the funding for the Project in the manner described in Section 2(b) of this Agreement. The City will also be responsible for certain infrastructure improvements related to the Project, as described in Exhibit B to this Agreement.
- (b) **MSA.** MSA will act as the City's agent in coordinating and overseeing the construction services for the Project in accordance with the bid construction

documents for the Project dated March 6, 2000 (the "BD's"), the further terms of this Agreement and its Agreement with the City dated the 16th day of November, 2000 ("Intergovernmental Agreement"), a copy of which is attached hereto as Exhibit C. MSA shall not be responsible for overseeing the construction and installation of certain items of furnishings and equipment identified in the BD's which are the responsibility of TPB, which items are specifically described in Exhibit D to this Agreement.

- (c) **The County**. The County will participate in the funding for the Project in the manner described in Section 2(c) of this Agreement. The County hereby assigns to the City its duties and responsibilities under the terms of the Ripken Stadium Grant Agreement between the County and the State (a copy of which is attached hereto as Exhibit E). The City further agrees to indemnify and hold harmless the County, its officers, agents and employees from and against any and all claims, suits, actions, damages and liabilities of any kind (collectively, "Claims") arising out of the use of the Grant provided under this Agreement for the Project. The County designates the City as its agent to administer the Ripken Stadium Grant, Chapter 118, 1999 Laws of Maryland, and the Ripken Stadium and Youth Baseball Academy Grant, Chapter 204, 2000 Laws of Maryland.
- (d) **TPB**. TPB intends to be the owner of a minor league baseball team which is intended to use the Project, and will enter into a separate agreement with the City which will commit the team to play all of its regular season home games at the Project. TPB shall provide funding for the Project as provided in Section 2(d) of this Agreement. In addition, TPB shall be responsible for the construction and

installation of the items specified in Exhibit D (the "TPB Improvements"). In addition, Tufton Baseball Academy LLC, an affiliate of TPB, is involved with the construction of the Ripken Youth Academy ("Academy") on the site adjacent to the Project.

2. **Funding.**

- (a) **Budget.** The current budget for the Project is \$18,000,000, as itemized on Exhibit E to this Agreement (the "Budget"). Exhibit F also contains a projected Payment (Use of Funds) and Funding (Source of Funds) schedule for the Project.
- (b) **The City.** The City shall contribute \$4,000,000 toward the cost of the Project; \$1,500,000 of which shall be for land acquisition (the "Land Acquisition"), and \$720,000 of which shall be for a portion of certain Infrastructure Improvements as set forth in Exhibit B. The balance, \$1,780,000, is hereinafter referred to as the "City Contribution." The City Contribution shall be funded as set forth in Section 2(f), below.
- (c) **The County and the State.** The County shall contribute \$2,000,000 toward the costs of the Project ("County Contribution"). In addition, the State of Maryland ("State") is expected to appropriate \$6,000,000 for costs of the Project over a period of three years ("State Contribution") and an additional \$1,000,000 for the Academy. Three million dollars has been appropriated for fiscal year 2001 pursuant to Chapter 204, 2000 Laws of Maryland for the Ripken Stadium. If all expected funds are appropriated, the State Contribution would become available as follows: \$3,000,000 on July 1, 2000 and \$3,000,000 on July 1, 2001 and \$1,000,000 on July 1, 2002. The expected \$1,000,000 for the Academy is to be

used to pay for the costs to provide infrastructure adjacent to the Property, which appropriation is expected to become available on July 1, 2002 (the "Academy State Contribution"). The Parties understand that the State Contribution is subject to appropriation by the State legislature in each of those years, and that there is no guarantee that an appropriation will be made. The Parties also understand that no portion of the State Contribution may be expended on the Project until the County: (i) executes a grant agreement and certifies to the Board of Public Works ("BPW") that the required 50% matching funds have been received by the County from the City for the Project and (ii) applies to the State Comptroller's office for payment. The City hereby states that the County has received the requisite matching fund payment or will receive such payment so that the ordering of funds in Section 2(f) shall be effective. (See Chapter 204 of the 2000 Laws ("Enabling Act"), a copy of which is attached as Exhibit 1.)
2. Grant: After the BPW approves this Agreement, the State shall periodically provide to, or on behalf of, Grantee funds (the "Grant") not to exceed the lesser of: Three Million Dollars (\$3,000,000) or the amount of Grantee's matching fund, if such matching fund is required by the Enabling Act.
3. Matching Fund: Grantee must provide and expend a matching fund according to the requirements - if any - of the Enabling Act.
4. Disbursement of Grant: Subject to the availability of funds, the BPW may periodically authorize payment to, or on behalf of, Grantee funds in an amount not to exceed the Grant amount.

5. Limitations on Use: Any request to the BPW for disbursement of Grant funds or any expenditure of Grant funds by the Grantee that is not consistent with, or is not specifically and directly related to, the purposes described in Section 1 or with the terms of this Agreement may, in sole discretion of the BPW or its designee, be disapproved.
6. Payment Procedure: The State shall make payment to or on behalf of Grantee in accordance with the Comptroller of the Treasury's Policy and Procedure for Capital Grant and Loan Payments (a copy of which is attached as Exhibit 2), and such other terms and conditions as the BPW, in its sole discretion, may impose.

8. Reports: Grantee shall submit reports in a form acceptable to the State:

(2) The principal of the bonds issued to provide the funds for the acquisition, construction, improvement, equipping, maintaining, operating or furnishing the stadium and the interest thereon as the same shall become due and payable, and reserves for such purposes.

(c) Such rates, rentals or charges shall not be subject to supervision or regulation by any state, county or municipal commission, board, bureau or agency.

(d) The rates, rentals or charges, and all other revenues derived by the authority in the operation of the stadium except such part thereof as may be required to pay the cost of maintaining, repairing and operating the stadium or to provide such reserves as may be called for in the resolution authorizing the issuance of the bonds or the trust indenture, shall be set aside at such regular intervals as may be provided in such resolution or such trust indenture, in a sinking fund which is hereby pledged to, and charged with the payment of:

(1) The interest upon the bonds issued to provide funds for the acquisition, construction, improvement, equipping, furnishing, maintaining or operating the stadium, as such interest shall fall due;

(2) The principal of such bonds as the same shall fall due;

(3) The necessary fiscal agency charges for paying such principal and interest; and

(4) Any premium upon such bonds retired by call or purchase as herein provided.

The use and disposition of such sinking fund shall be subject to such regulations as may be provided in the resolution authorizing the issuance of such bonds, or in the trust indenture, but, except as may otherwise be provided in such resolution or trust indenture, such sinking fund shall be a fund for the benefit of all such bonds without distinction or priority of one over another. Subject to the provisions of the resolution authorizing the issuance of such bonds or of the trust indenture, any moneys in such sinking fund in excess of an amount equal to two (2) years'

interest on all such bonds then outstanding may be applied to the purchase or redemption of such bonds. All bonds so purchased or redeemed shall forthwith be cancelled.

§ 11.7. Issuance of bonds, certificates and other evidence of indebtedness - Generally.

- (a) *Generally.* If granted the power and authority by the Mayor and City Council pursuant to §11-5.(c), the authority shall at one time or from time to time provide by resolution for the issuance of negotiable bonds, certificates or other evidence of indebtedness for the purpose of paying all or any part of the cost or purchase price of the stadium or facilities. The resolution authorizing the issuance of such bonds, certificates or other evidence of indebtedness under the provisions of this chapter or the trust indenture hereinafter provided for, shall state either the estimated cost or purchase price of the stadium or stadium facilities or the then existing debt due on the stadium or facilities from bonds, certificates or other evidence of indebtedness under the provisions of this chapter, and bonds, certificates or other evidence of indebtedness shall be issued in such amount or amounts.

- (b) *Payment of principal and interest.* The principal and interest of such bonds shall be payable from revenues, rentals, receipts and funds available for any source whatsoever received by the authority and no tax, excise, or special assessment (other than permitted under the terms of this chapter) shall be levied for the payment of such principal and interest.

Fees, rents, charges and revenues received from the use of the stadium constructed from the proceeds of the bonds issued or to retire existing debt under the provisions of this chapter shall be used or appropriated for the payment of interest or principal of such bonds; provided, however, that prior to and during construction and for one year after the completion of the construction of the stadium for which bonds have been issued hereunder, the interest on such bonds may be paid out of the proceeds realized from the sale of such bonds; and provided further, that revenues, rentals, receipts and funds from other sources available to the authority may be used and appropriated for the payment of interest on and principal of such bonds.

- (c) *Rate of interest; maturity; denominations; execution.* The bonds shall be dated, shall bear interest at such rate or rates as shall be determined by the authority; payable semiannually and shall mature at such time or times, not exceeding thirty years from their date or dates, as may be determined by the authority. The bonds of each issue may be made redeemable before maturity at the option of the authority at such price or prices and under terms and conditions as may be fixed by the authority prior to the issuance of the bonds. The authority shall determine the form of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places

of payment of principal and interest which may be at any bank or trust company within or without the state. The payment of principal and interest of the bonds hereby authorized may be made in any lawful medium. The authority shall determine the manner of executing the bonds which may be by facsimile signature of its chairman, and the manner of executing the interest coupons attached thereto which also may be by facsimile signature of its chairman; the official seal of the authority shall be affixed to the bonds and they shall be attested by its secretary. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery.

- (d) *Negotiability.* All bonds, certificates or other evidence of indebtedness issued under the provisions of this section shall have and are hereby declared to have to all qualities and incidents of negotiable instruments under the negotiable instruments law of this state.
- (e) *Form of issuance; registration.* The bonds hereby authorized may be issued in coupon or in registered form, or both, as the authority may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest.
- (f) *Sale.* The authority may sell such bonds in such manner, either at public or private sale, and for such price, as it may determine to be for the best interests of the authority. None of the provisions of sections 9 to 11, inclusive, of Article 31 of the Annotated Code of Maryland, 1957, and any amendments thereto shall apply to the bonds issued under the provisions of this section.
- (g) *Disposition of proceeds.* The proceeds of the bonds of each issue shall be used solely for the payment of the cost of the stadium or stadium equipment for which such bonds have been issued, and shall be distributed in such manner and under such restrictions, if any, as the authority may provide in the resolution authorizing the issuance of such bonds or in the trust agreement hereinafter mentioned securing the same. If the proceeds of the bonds of any issue, by error of estimates or otherwise, shall be less than such cost, additional bonds may in like manner be issued to provide the amount of such deficit, and, unless otherwise provided in the resolution authorizing the issuance of such bonds or in the trust agreement securing the same shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued. If the proceeds of the bonds of any issue shall exceed the cost of the stadium or stadium facilities for which the same shall have been issued, the surplus shall be deposited into the sinking fund hereinafter provided for the payment of principal of and interest on the bonds.

- (h) *Interim receipts of temporary bonds; replacement bonds.* Prior to the preparation of definitive bonds, the authority may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, to be exchanged for definitive bonds when such bonds have been executed and are available for delivery. The authority may also provide, by resolution, for the replacement of any bonds which shall become mutilated, destroyed or lost.
- (i) *Issuance without referendum.* The bonds, certificates or other evidence of indebtedness, authorized to be issued under this section may be issued without an election referendum or any other proceedings or the happening of any other conditions or things than those proceedings, conditions or things which are specified and required by this section.
- (j) *Refunding bonds.* The authority is hereby authorized to provide by resolution for the issuance of its revenue refunding bonds for the purpose of refunding any bonds then outstanding and issued under the provisions of this chapter. The issuance of such revenue refunding bonds, the maturities and other details thereof, the rights of the holders thereof, and the duties of the authority in respect of the same, shall be governed by the provisions of this section insofar as they may be applicable.
- (k) *Single issuance with combined purpose.* The authority is further authorized to provide by resolution for the issuance of a single issue of its bonds for the combined purposes of:
 - (1) Paying the cost of any improvement, extension, enlargement or reconstruction of the stadium and stadium facilities; and
 - (2) Refunding its bonds which shall theretofore have been issued for the purpose of providing funds for the cost of the stadium and stadium facilities which shall then be outstanding and which shall then have matured or be subject to redemption or can be acquired for retirement.

§ 11-8. Same - Contents of resolution authorizing issuance.

Any resolution or resolutions authorizing the issuance of any bonds under §11-7 may contain provisions which shall be part of the contract with the holders thereof and which may relate to the following:

- (a) The pledging of the full faith and credit of the authority (but not the city) for such obligations;
- (b) The construction, improvement, operation, extension, enlargement, equipping, furnishing, maintenance and repair of the stadium and the stadium facilities and the duties of the authority with reference thereto;

- (c) The terms and provisions of the bonds;
- (d) Any limitations on the purposes to which the proceeds of the bonds then or thereafter to be issued, or of any loan or grant by the United States may be applied;
- (e) The rate of rentals and other charges for the use of the stadium or for the services rendered by the authority, including limitations upon the power of the authority to modify any leases or other agreements pursuant to which any rentals or other charges are payable;
- (f) The setting aside of reserves or sinking funds and the regulation and disposition thereof;
- (g) The limitations on the issuance of additional bonds;
- (h) The terms and provisions of any deed of trust or indenture securing the bonds or under which the same may be used; and
- (i) Any other or additional agreements with holders of the bonds.

§ 11-9. Same - Credit of city, etc., not pledged.

The bonds, certificates or other evidence of indebtedness issued under the provisions of §11-7 shall not be deemed to constitute a debt of the city or a pledge of the faith and credit of the city, but such bonds, certificates or other evidence of indebtedness shall be payable solely from the funds of the authority provided from revenues of the stadium. All such bonds shall contain a statement on their face to the effect that the City of Aberdeen is not obligated to pay such bonds or the interest thereon. The insurance of bonds or other evidence of indebtedness under the provisions of this chapter shall not directly, indirectly or contingently obligate or empower the city to levy or pledge any form of taxation whatever therefor or to make any appropriation for their payment.

§11-10. Same - Rights and remedies of bondholders generally.

- (a) Pursuant to §11-7, the rights and the remedies, conferred upon or granted to the bondholders, shall be in addition to and not in limitation of any rights and remedies lawfully granted to such bondholders by the resolution or resolutions providing for the issuance of bonds, or by any deed of trust, indenture or other agreement under which the same may be issued. In the event that the authority shall default in the payment of principal of or interest on any of the bonds after said principal or interest shall become due, whether at maturity or upon call for redemption, and such default shall continue for a period of thirty (30) days, or in the event that the authority shall fail or refuse to comply with the provisions of

this chapter, or shall default in any agreement made with the holders of the bonds, the holders of twenty-five (25) percent in the aggregate principal amount of the bonds then outstanding, by instrument or instruments filed in the office of the clerk of the circuit court for the county, and proved or acknowledged in the same manner as a deed to be recorded, may (except as such right may be limited under the provisions of any deed of trust, indenture or other agreement as aforesaid) appoint a trustee to represent the bondholders for the purposes herein provided. Such trustee and any trustee under any deed of trust, indenture or other agreement may, and, upon written request of the holders of twenty-five (25) percent (or such other percentage as may be specified in any deed of trust, indenture or other agreement aforesaid) in principal amount of the bonds then outstanding, shall in his or its own name:

- (1) By mandamus or other suit, action or proceeding at law or in equity enforce all rights of the bondholders, including the right to require the authority to collect rates, rentals and other charges, adequate to carry out any arrangements as to or pledge of the revenues or receipts of the authority, and to require the authority to carry out any other agreements with or for the benefit of the bondholders, and to perform its and their duties under this chapter;
 - (2) Bring suit upon the bonds;
 - (3) By action or suit in equity, require the authority to account as if it were the trustee of an express trust for the bondholders;
 - (4) By action or suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the bondholders;
 - (5) By notice in writing to the authority, declare all bonds due and payable, and if all defaults be made good, then with the consent of the holders of twenty-five (25) percent (or such other percentage as may be specified in any deed of trust, indenture or other agreement aforesaid) of the principal amount of the bonds then outstanding, to annul such declaration and its consequences.
- (b) Any trustee, whether appointed as aforesaid or acting under a deed of trust, indenture or other agreement and whether or not all bonds have been declared due and payable, shall be entitled as of right to the appointment of a receiver who may (to the same extent that the authority itself could so do) enter and take possession of the facilities of the authority, or any parts thereof, the revenues, rentals or receipts from which are or may be applicable to the payment of the bonds so in default, and operate and maintain the same and collect and receive all rentals and other revenues thereafter arising therefrom in the same manner as the authority might do, and shall deposit all such moneys in a separate account, and apply the same in such manner as the court shall direct. In any suit, action or proceeding by the trustees, the fees, counsel fees and expenses of the trustee and of the receiver,

if any, and all costs and disbursements allowed by the court, shall be a first charge on any revenues and receipts derived from the facilities of the authority, the revenues or receipts from which are or may be applicable to the payment of the bonds so in default. Such trustee shall, in addition to the foregoing, have and possess all of the powers necessary or appropriate for the exercise of any functions specifically set forth herein or incident to the general representation of the bondholders in the enforcement and protection of their rights.

- (c) In addition to all other rights and all other remedies, any holder of bonds of the authority shall have the right by mandamus or other suit, action or proceeding at law or in equity to enforce his rights against the authority, including the right to require the authority of collecting fees, rentals and other charges adequate to carry out any agreement as to or pledge of such fees, rentals or other charges, or income, revenues and receipts and to require the authority to carry out any of its covenants and agreements with the bondholders, and to perform its and their duties under this chapter; provided, however, that nothing in this section or any other section of this chapter shall authorize any receiver appointed pursuant to this chapter, for the purpose of operating and maintaining the stadium, to sell, assign, mortgage or otherwise dispose of, any of the assets of whatever kind and character belonging to the authority. It is the intention of this chapter to limit the powers of such receiver to the operation and maintenance of the facilities of the authority as the court shall direct, and no holder of bonds of the authority, nor any trustee, shall ever have the right in any suit, action or proceedings at law or in equity to compel a receiver, nor shall any receiver ever be authorized, or any court be empowered to direct the receiver, to sell, assign, mortgage or otherwise dispose of any assets of whatever kind or character belonging to the authority.

§ 11-11. Same- Bondholder's lien.

All moneys received from any bonds issued and sold under the provisions of §11-7 shall be applied solely for the purpose for which the bonds shall be authorized or to the sinking fund created for the payment of such bonds, and are hereby declared to be trust funds for such purposes or such sinking fund, as the case may be, and there shall be and there is hereby created and granted a lien upon such moneys until so applied in favor of the holders of such bonds or the trustee hereinafter provided for in respect to such bonds.

§ 11-12. Trust indentures.

If granted the power and authority by the Mayor and City Council pursuant to §11-5.(c), the authority shall secure any bonds, certificates or other evidence of indebtedness issued to provide funds for the purchase, acquisition, construction or improvement of the stadium and stadium facilities by a trust indenture by and between the authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or outside the state. At any one time, the authority may, in its discretion, be a party to one or more of such trust indentures, if bonds have been issued to finance

more than a single project as defined in this chapter. Such trust indenture or indentures may pledge or assign all revenues to be received from stadium and stadium facilities but shall not convey or mortgage the stadium or stadium facilities to further secure any bonds, certificates or other evidences of indebtedness issued to provide funds for the purchase, acquisition, construction or improvement of the stadium. Either the resolution providing for the issuance of bonds or such trust indenture or indentures may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper, not in violation of law, including covenants setting forth the duties of the authority in relation to the construction, acquisition, improvement, installation, maintenance, operation, repair and insurance of the stadium and the custody, safeguarding and application of all moneys, and may provide that the stadium shall be constructed and paid for under the supervision and approval of consulting engineers and architects employed or designated by the authority and satisfactory to the trustee appointed as provided herein, and if none, the original purchasers of the bonds issued hereunder. Such trust indentures may further provide that the security given by contractors and by any depository of the proceeds of the bonds or revenues of the stadium or other moneys pertaining thereto, be satisfactory to the trustee appointed as provided herein, and if none, the original purchasers of the bonds. It shall be lawful for any bank or trust company incorporated under the laws of this state to act as depository of the proceeds of the bonds or revenues. Such resolution or such trust indentures may set forth the rights and remedies of the bondholders and of the trustee, and may restrict the individual right of action of bondholders and of the trustee, and may restrict the individual right of action of bondholders as is customary in trust indentures securing bonds and debentures of corporations. All expenses incurred in carrying out such trust indenture may be treated as a part of the cost of maintenance, operation and repair of the stadium.

§ 11-13. Powers of city.

The City is hereby authorized and empowered through its proper officials:

- (a) To convey to the authority its title to any lands, streets, alleys, buildings, facilities or other public places upon payment to the city of the reasonable value of such properties, such value to be determined by the authority and by the city such payment to be in cash or in bonds of the authority at par; provided, that all public utility facilities, whether publicly or privately owned or operated, occupying such lands, streets, alleys or public places shall first have been removed or relocated at the authority's expense;
- (b) To assign to the authority any rates, rentals, fees, or charges now being or hereafter received by it, such assignment to be made for the purpose of providing additional security for any bonds to be issued under this chapter or for such other purposes as may be agreed to between the authority and the city; and
- (c) To assign to the authority those powers and duties set forth in §11-5.(c); and

- (d) To advance to the authority from the general funds of the city sums to be used by the authority solely to defray expenses for investigations, engineering and architectural studies, opinions and compensation of employees and counsel which may be incurred prior to the sale of its bonds; provided, however, that such advances shall be repaid out of the first proceeds of the sale of bonds by the authority following any such advance.

§ 11-14. Limited Assignment of Admissions and Amusement Tax.

If granted the power and authority by the Mayor and City Council pursuant to §11-5.(c), the City shall assign all of the Admission and Amusement Taxes received by the City from use of the stadium and services provided at the stadium pursuant to Article III, Chapter 125 of the Code of the City of Aberdeen, Maryland until all bonds and other evidence of indebtedness issued for the purpose of paying all or any part of the cost or purchase price of the stadium and stadium facilities have been retired or satisfied.

§ 11-15. Disposition and audit of funds.

Unless otherwise provided in the resolution authorizing any issue of bonds under this chapter, or unless otherwise provided by the indenture of trust which secures such bonds, all moneys received by the authority from whatever source derived, shall be paid to the treasurer of the authority. Such moneys shall be deposited in the first instance by the treasurer in one or more banks or trust companies in one or more special accounts, and each of such special accounts to the extent the same is not insured shall be continuously secured by a pledge of the direct obligations of the United States of America, of the state or of the county, having an aggregate market value, exclusive of accrued interest, at all times at least equal to the balance on deposit in such account. Such securities shall either be deposited with the treasurer, or be held by a trustee or agent satisfactory to the authority. All banks and trust companies are authorized to give such security for such deposits. The moneys in said accounts shall be paid out on the warrant or other order of the chairman of the authority, or such other person or persons as the authority may authorize to execute such warrants or orders. The authority shall have an annual examination of its books, accounts and records by a certified public accountant. A copy of such audit shall be delivered to the city and to such other persons named to receive such audit in the resolution which authorized the issuance of the bonds or in the trust indenture which secures them. A concise financial statement of the authority shall be published annually, in a newspaper of general circulation in the county and city. If such application is not made by the authority, the city shall publish such statement at the expense of the authority. If the authority fails to make such audit, then the treasurer of the city may be designated and empowered by the city, from time to time to examine, at the expense of the authority, the accounts and books of the authority, including its receipts, disbursements, contracts, leases, sinking funds, investments and any other matters relating to its finances, operation and affairs. The solicitor of the city shall have the right to examine the books, accounts and records of the authority.

§11-16. Construction, etc., contracts.

If granted the power and authority by the Mayor and City Council pursuant to §11-5.(c), the authority may make rules and regulations for the submission of bids and the construction, equipping, furnishing and improvement of the stadium and stadium facilities. No contract shall be entered into for construction, equipping, furnishing or improvement of the stadium and stadium facilities, or portion thereof, or for the purchase of materials, unless the contractor shall give an undertaking with a sufficient surety or sureties approved by the authority, and in an amount fixed by the authority, for the faithful performance of the contract; and such contract shall be accompanied by an additional bond for the protection of those to furnish labor and material. All construction contracts shall provide, among other things, that the person or corporation entering into such contract with the authority will pay for all materials furnished and services rendered for the performance of the contract, and that any person or corporation furnishing such materials or rendering such services may maintain an action to recover for the same against the obligor in the undertaking as though such person or corporation was named therein, provided the action is brought within three years after the cause of action accrued. Nothing in this section shall be construed to limit the power of the authority to construct the stadium, or portion thereof, or any addition, betterment or extension thereto, directed by the officers, agents and employees of the authority, or by agreement with the federal and state governments or any agency or department of either. Subject to the aforesaid, the authority may (but without intending by this provision to limit any powers of such authority) enter into and carry out such contracts, or establish or comply with such rules and regulations concerning labor and materials and other related matters in connection with the stadium, or portion thereof as the authority may deem desirable, or as may be requested by any federal or state agency that may assist in the financing of such stadium or any part thereof.

§11-17. Tax exemptions.

It is hereby found, determined and declared that the establishment of the stadium under the provisions of this chapter is in all respects for the benefit of the inhabitants of the city, county and of the state, and is a public purpose, and that the city and the authority will be performing an essential governmental function in the exercise of the powers conferred by this chapter, and the authority shall not be required to pay any taxes or assessments upon any facility or any part thereof or upon its activities in the operation and maintenance of any facility or upon any revenues therefrom, and the stadium and the bonds of the authority, the interest thereon and any gain realized from the sale or exchange thereof shall be and remain forever exempt from all state, municipal and local taxation.

§ 11-18. Provisions of title provides alternative methods.

The provisions of this chapter shall be deemed to provide an additional and alternative method for the doing of the things authorized hereby and shall be regarded as

supplemental and additional to the powers conferred by the Maryland Constitution, Article 23A of the Maryland Code and other laws and shall not be regarded as in derogation of any powers now existing, and such provisions shall be liberally construed to effect the purposes thereof.

Dear Doug and Cal:

As you know, we have been working together in an effort to improve the liquor law license rules to the benefit of the City and the users of Ripken Stadium. We have been advised by our counsel in connection with this activity (Jay Young) that RS Concession LLC should apply for a liquor license under the current provisions of Section 8-213.1 of Article 2B of the Annotated Code of Maryland.

We are advised that in order to apply for a license under the current law, RS Concession LLC must be a lessee of Ripken Stadium. In the event that the proposed legislation is enacted, RS Concession LLC would no longer need to be a lessee in order to hold a liquor license for Ripken Stadium.

As a result, as of the date of this letter, we have agreed that all references to Tufton Professional Baseball LLC in the December 7, 2000 Concession Agreement by and between the City of Aberdeen and Tufton Professional Baseball LLC (the "Lease") shall be deemed to include RS Concession LLC. All references to Franchisor in said Lease shall be deemed to refer to both Tufton Professional Baseball LLC and RS Concession LLC.

In the event that the proposed legislation is enacted, the provisions of this letter shall no longer be applicable after the date RS Concession LLC is the holder of the liquor license under the new legislation.

Dear Doug:

As you know, the Concession Agreement dated December 7, 2000 by and between the City of Aberdeen and Tufton Professional Baseball LLC (the "Agreement") grants the "naming rights" for Ripken Stadium to Tufton Professional Baseball LLC. To fully protect the rights in the name, we have been advised by our counsel that a federal trademark application should be filed for "Ripken Stadium." Since we believe the Agreement gives us the ability to file such a trademark application, we wanted to clarify the wording of the Agreement to avoid any confusion.

As a result, as of the date of this letter, we have agreed that Section 8.03 of the Agreement shall be amended as follows:

Section 8.03. STADIUM NAME. City and Franchisor agree that the name of the Stadium shall be "Ripken Stadium", until and unless such name shall be changed by mutual consent. Notwithstanding the foregoing, Franchisor shall have the right to promote and advertise a secondary name in association with its Team operation (for example: "XYZ Field at Ripken Stadium" or "Ripken Stadium at XYZ Park") and to receive and retain any income derived therefrom. City and Franchisor agree that Franchisor shall have the right to file any and all federal and/or state trademark or trade name applications and obtain such trademark and/or trade name registrations in its own name, as owner, using the words "RIPKEN STADIUM" (or such other name as changed by mutual consent) and/or any design of the stadium (collectively the "Trademarks"),

as Franchisor deems appropriate. Franchisor hereby grants the City a royalty-free, non-exclusive license to use the Trademarks, as long as each such use is pre-approved by the Franchisor.

I would appreciate you signing this letter to evidence our agreement as set forth above.

Re: Subconcession Agreement between Tufton Professional Baseball LLC and
Ripken Professional Baseball LLC

Dear Doug:

As I briefly explained to you last week during our meeting, in order to expedite the baseball approval process, and to segregate baseball operations from other event operations, Tufton Professional Baseball LLC would like to "sublet" a portion of its rights in the Concession Agreement by and between the City of Aberdeen and it, dated December 7, 2000.

Tufton Professional Baseball LLC will sublet the baseball days to Ripken Professional Baseball LLC. It is Ripken Professional Baseball LLC which will be acquiring the rights to the professional minor league team which is anticipated to play in Aberdeen.

Pursuant to Section 11.01 of the Concession Agreement, the City's consent is required in connection with the subletting of the baseball days to Ripken Professional Baseball LLC.

Attached is a copy of the Subconcession Agreement. The Subconcession Agreement obligates Ripken Professional Baseball LLC to assume all the obligations of Tufton Professional Baseball LLC under the Concession Agreement other than the obligations with respect to non-baseball events.

The Subconcession Agreement will have no effect on Tufton Professional Baseball LLC's obligations under the Concession Agreement. On behalf of Tufton Professional Baseball LLC, I hereby acknowledge that it shall remain secondarily liable under the Concession Agreement.
