Mayor McGrady called the Work Session to order at 5:30 p.m. in the second floor administrative conference room.

- The Mayor and Council discussed attending Harford Night in Annapolis. The ordinance concerning Development Code revisions was distributed for future review.
- Mr. Robertson discussed administrative matters and presented a legislative tracking guide.
- The Council and staff deliberated on the work session schedule and topics.
- Mr. Torster explained the Federal mandate being implemented by the State through the Maryland Department of the Environment called National Pollutant Discharge Elimination System (NPDES) Permit. This also covered the small Municipal Separate Storm Sewer System (MS4) Stormwater Permit. The permit prohibits non-stormwater discharges from entering into the permitte's MS4. He explained the reporting activities, compliance requirements, and projected costs. KCI would assist the City with assessment and implementation. KCI representatives, Bruce Thompson and Randy Cole, discussed the program elements and goals. Council discussion followed.

Being no further discussion, the meeting was adjourned at 6:39 p.m.
