

Parks and Recreation is very excited to be managing the new Aberdeen Activity Center. We would love to know what type of programs you would like to see offered. Below is a list of possible programs we could offer and an estimated cost. Please let us know if you or someone in your family would be interested in any of the possible offerings. We have also left a few blank lines that you can write in additional classes not listed.

Please check the program(s) you or your family would like to see offered.
