

Aberdeen Police Department Community Survey

Your Voice Matters

The Aberdeen Police Department is committed to providing professional, transparent, and community-focused policing. To help us better understand the needs and expectations of those we serve, we invite all residents, business owners, and visitors who have interacted with our department to participate in our Community Survey.

Your feedback is an important part of helping us evaluate our performance, strengthen public trust, and guide future improvements.

Why Your Feedback Is Important

The survey will help us:

Measure Public Confidence

Learn how our community views officer professionalism, fairness, courtesy, and the overall quality of service provided during interactions with the Aberdeen Police Department.

Evaluate Community Safety

Identify concerns about crime, neighborhood issues, and perceptions of safety so we can better focus our resources where they are needed most.

Improve Police Services

Use survey results to identify opportunities for improvement, enhance training, strengthen accountability, and continue developing community-oriented policing strategies.

Foster Transparency and Trust

By asking for your honest feedback, we demonstrate our commitment to listening, learning, and working collaboratively with the community we proudly serve.

Help Shape the Future of Your Police Department

The information collected through this survey will be reviewed in aggregate and used to establish future department goals, improve service delivery, and ensure that the Aberdeen Police Department continues to meet the evolving needs and expectations of our community.

Every response matters, and all feedback helps us become a stronger, more responsive police department.

Thank you for taking the time to share your experience and help shape the future of policing in Aberdeen.
