ADDENDUM NO. 2

BID NO. 25-04

**SEWER REHABILITATION
ANNUAL CONTRACT**

To all holders of the specifications, the following corrections are hereby made. All other items shall remain unchanged. This addendum shall become part of the Contract Documents for the above referenced project.

Acknowledgement of Addendum

Name: _____

Company: _____

Date: _____

Signature: _____

Q1: According to the Specification below, we need to provide a summary of experience of projects we have completed in the City of Aberdeen. We would be able to provide plenty of project examples for locations outside of Aberdeen. Is this sufficient or is there a prequalification process we need to fulfill to bid on this project and projects in the future?

A1: There currently is no general prequalification process in place. Please provide a synopsis of the experience you have as it is applicable to the scope of this project or as it is comparable in scale to Aberdeen's Collection System. All proposals will be considered and compared based on the quality of information presented.

Q2: Will you please provide the estimated annual budget for this contract?

A2: We cannot presently disclose the estimated annual budget as it is subject to the cost proposals received. The City intends to line approximately 15,000 feet of pipe per year give or take depending on the cost associated.

Q3: Is a warranty required for the liner?

A3: The successful bidder will be required to provide a one year maintenance surety upon completion of the project. Furthermore, Special Provision 5.2 state the following:

A3: (continued)

5.2.1. Furnish materials of quality required by the American Society for Testing and Materials (ASTM) standards or other approved standards and specifications.

5.2.2. Provide guarantee against defective materials and workmanship in accordance with the requirements of these specifications.

5.2.3. The manufacturer shall provide written certification that the Applicator has been trained and certified by the manufacturer to handle and apply their products, as well as appropriate recertification documentation, as necessary, by the manufacturer.

5.2.4. Applicator shall initiate and enforce quality control procedures consistent with applicable ASTM, NACE and SSPC standards and the manufacturer's recommendations.

Q4: Will you please advise if the City will expand the CIPP bid items to reflect every possible diameter to be lined? Pricing for these wide ranges of diameters does not put the contractor or client in the best position.

A4: Yes. Please see the revised bid form itemizing each pipe diameter to be lined. This new bid form shall be submitted in lieu of the original bid form.

BIDDER (Name and Address):

PROJECT IDENTIFICATION:

**SEWER REHABILITATION
ANNUAL CONTRACT 25-04**

THIS BID IS SUBMITTED TO:

CITY OF ABERDEEN
60 North Parke Street
Aberdeen, MD 21001

1. Bids submitted shall fulfill the following stipulations at the time of submittal. Failure to satisfy these requirements shall render the bid informal and result in its rejection. The stipulations listed here shall be satisfied in addition to all provisions and requirements listed further below in this document. Please initial each item below:

_____ Bid is sealed and plainly marked with PROJECT IDENTIFICATION (listed above)

_____ Bid is plainly marked with bidder information, company name and address.

_____ Bid includes acknowledgment of all addenda.

_____ Bid includes bid bond or certified check in the amount of 5% of the bid amount.

2. The undersigned Bidder proposes and agrees, if this Bid is accepted, to enter into an Agreement with Owner in the form included in the Bidding Documents to perform and furnish all Work as specified or indicated in the Bidding Documents for the Contract Price and within the Contract Time(s) and in accordance with the other terms and conditions of the Bidding Documents.
3. Bidder accepts all terms and conditions of the Invitation to Bid and Instructions to Bidders, including without limitation those dealing with the disposition of Bid security. This Bid will remain subject to acceptance for a period of 60 days from the date of Bid opening unless award is delayed by a required approval from a governmental agency, the sale of bonds, or the award of a grant or grants, in which event the Bids shall remain open for a period of 120 days from the date of Bid opening. Thirty-day (30) Calendar extensions of the date for the award may be made by the mutual written consent of the City and the apparent Successful Bidder. Bidder agrees, if required by City prior to and as a condition of Contract award, to execute and sign any documents related to financing of the Project. Bidder will sign and submit the Agreement with the Bonds and other documents required by the Bidding Documents within the number of days stated in the City's Notice of Intent to Award

BID FORM

4. In submitting this Bid, Bidder represents, as more fully set forth in the Agreement, that:

4.1. Bidder has examined copies of all the Bidding Documents and of the following

4.2. Addenda (receipt of all which is hereby acknowledged):

Date	Number

4.3. Bidder has visited the site and become familiar with and is satisfied as to the general, local and site conditions that may affect cost, progress, performance, and furnishings of the Work.

4.4. Bidder is familiar with and is satisfied as to all Federal, State, and Local Laws and Regulations that may affect cost, progress, performance, and furnishings of the Work.

4.5. Bidder has carefully studied all reports of explorations and tests of conditions at or contiguous to the site and all drawings of physical conditions in or relating to existing structures at or contiguous to the site. Bidder acknowledges that such reports and drawings are not Bidding Documents or Contract Documents and may not be complete or Bidder's purposes. Bidder has obtained and carefully studied (or assumes responsibility for having done so) all such additional or supplementary examinations, investigations, explorations, tests, studies and data concerning conditions at or contiguous to the site or otherwise which may affect cost, progress, performance, and furnishings of the Work or which relate to any aspect of the means, methods, techniques, sequences, and procedures of construction to be employed by Bidder and safety precautions and programs incident thereto. Bidder does not consider that any additional examinations, investigations, explorations, tests, studies, or data are necessary for the determinations of this Bid for performance and furnishings of the Work in accordance with the times, price, and other terms and conditions of the Bidding Documents and Contract Documents.

4.6. Bidder is aware of the general nature of Work to be performed by City and others at the site that relates to Work for which this Bid is submitted as indicated in the Bidding Documents and Contract Documents.

BID FORM

- 4.7. Bidder has correlated the information known to Bidder, information and observations obtained from visits to the site, reports and drawings identified in the Bidding Documents and Contract Documents and all additional examinations, investigations, explorations, tests, studies, and data with the Bidding Documents and Contract Documents.
- 4.8. Bidder has given Director of Public Works written notice of all conflicts, errors, ambiguities, or discrepancies that Bidder has discovered in the Bidding Documents and Contract Documents and the written resolution thereof by Director of Public Works is acceptable to Bidder, and the Bidding Documents and Contract Documents are generally sufficient to indicate and convey understanding of all terms and conditions for performing and furnishing the Work for which this Bid is submitted.
- 4.9. This Bid is genuine and not made in the interest of or on behalf of any undisclosed person, firm, or corporation and is not submitted in conformity with any agreement or rules of any group, association, organization, or corporation; Bidder has not directly or indirectly induced or solicited any other Bidder to submit a false or sham Bid; Bidder has not solicited or induced any person, firm or corporation to refrain from bidding; and Bidder has not sought by collusion to obtain for itself any advantage over any other Bidder or over City.
5. While cost is a contributing factor to be evaluated, the lowest bid shall not be the sole basis for award. This professional services contract shall be evaluated using the Bid Evaluation Matrix provided as part of the 25-04 Bid Package. This contract shall be awarded, at the City's discretion, to the bidder that best fulfills the pre-qualifications identified herein. Among the requirements for qualified bids, pricing shall be provided for each task in each project component as follows:

Bid Item	Description	Item Cost
