

City of Aberdeen 2026 Commercial Wastewater Survey

The City of Aberdeen is required by Maryland Department of the Environment to periodically update the status and character of the wastewater discharged by commercial activities that use the City sewer system. The information will be used to analyze the adequacy of the City's treatment system to protect the environment from non-domestic waste components that may be introduced into the waste stream by commercial activities. Any questions concerning the information requested should be referred to the Wastewater Pre-treatment Coordinator at **410-272-2650**.

The Commercial Wastewater Survey form shall be completed within **20 working days** of the mailing date and returned to:

**City of Aberdeen Department of Public Works
Attn: Wastewater Pre-treatment Coordinator
60 N. Parke Street Aberdeen, MD 21001**

Online Form Available at: aberdeenmd.gov/wdocs Email to: dpw@aberdeenmd.gov
