- **Section 1: Answers to Questions Posed by Bidders**

Q1: Please assure that this is only a metes and bounds description and drawing based on deeds and plats of record and not a survey as several places in the bid package refer to it as a survey.

A1: . This RFP is requesting only a metes and bounds description and drawing based on deeds and plats of record, not a survey. Any reference to a "Concept Plan" is incorrect. The City is seeking the preparation of an annexation exhibit plat, as shown in the attached example "Exhibit B"

Q2: Please assure that this is only a metes and bounds description and drawing to be used only in the annexation petition.

A2: The request is only a metes and bounds description and drawing to be used only in the annexation petition.

Q3: Will the City provide all information they have (i.e. previous annexation resolutions/charter amendments, utility plans, etc.) that may not be publicly available, but necessary for completion of the project without charge or will there be a fee as allowed under the Maryland Public Information Act.

A3: If the information is readily available and cannot be found in Harford County Land Records, then the City will provide the information to the best of our ability.
