

**City of Aberdeen
2020
Industrial Waste Survey**

The City of Aberdeen is required by Maryland Department of the Environment to periodically update the status and character of the wastewater discharged by industrial-type activities that use the City sewer system. The information will be used to analyze the adequacy of the City's treatment system to protect the environment from non-domestic waste components that may be introduced into the waste stream by industrial-type activities. Any questions concerning the information requested should be referred to the Industrial Pre-treatment Coordinator, **410-272-2650**.

The Industrial Waste Survey form shall be completed within **20 working days** of the mailing date and returned in the enclosed envelope to:

**City of Aberdeen
Department of Public Works
60 N. Parke Street
Aberdeen, Maryland 21001
Attn: Industrial Pre-treatment Coordinator**

Or complete the form online at www.aberdeenmd.gov/pwiws and email to dpw@aberdeenmd.gov

Section A: General Information

1. Company or Business Name: _____
2. Address: _____
3. Telephone #: _____
4. Contact Person: _____
5. Description of activity: _____

6. Days of operation: Mon Tue Wed Thur Fri Sat Sun
7. Hours of operation: _____ AM/PM to _____ AM/PM

Section C: Nature and Concentration of Pollutants in Discharged Wastewater

1. Are any of the following pollutants present or suspect of being present in the wastewater discharged by your business? If so, check the appropriate box.
